

Consider-the-Conversation 2

Join the Washtenaw Health Initiative from 6 to 8:30 PM for a free screening of *Consider the Conversation 2*. The Emmy nominated documentary illustrates the importance of advance care planning in improving a patient's comfort and quality of care at the end-of-life. The film shares the first-hand accounts of doctors, caregivers and patients as they navigate the end-of-life journey and the questions and decisions that go along with fighting disease.

Tuesday, November 17
Hors d'oeuvre reception at 5 p.m.
Program begins at 6 p.m.

Michigan Theater, Screening Room • 603 E. Liberty St., Ann Arbor

A special Q&A panel with advance care planning experts will immediately follow the film at 7:45 p.m.
